VIDEO VOICEMAIL

Bringing voicemail into the video age.

ELECTRICAL SERVICES

VIDEO VOICEMAIL PROVIDES YOUR ELECTRICAL TEAM A QUICK VIDEO PREVIEW BEFORE ARRIVING ON-SITE.

Improve your electrical service with a Video Voicemail greeting that encourages customers to record a video showing the electrical issue, affected areas, and relevant details. Receive both video and audio, giving your team a clearer understanding of the problem before arriving, helping electricians prepare properly and provide faster, more efficient service.

WHAT CUSTOMERS CAN RECORD

- Outlet/switch location
- Light fixture
- Affected room
- Project area
- Panel area
- Flickering light

OPTIONAL TREE BOX CATEGORIES

- Lighting and fixtures
- Outlets and switches
- Panel service
- New installations
- Commercial electrical

Choose a Plan

Single Box Plan	Tree Box Plan
$29.99 Monthly Recurring	$49.99 Monthly Recurring

Single Box: A simple fit when your company only needs one customer video-message path.

Tree Box: When your company requires multiple greetings for service categories, estimates, emergencies, follow-ups, or general questions.
