VIDEO VOICEMAIL

Bringing voicemail into the video age.

PEST CONTROL

VIDEO VOICEMAIL PROVIDES PEST CONTROL TEAMS A QUICK VIDEO PREVIEW BEFORE ARRIVING ON-SITE.

Improve your pest control service with a Video Voicemail greeting that encourages customers to record a video showing the pest issue, affected areas, and relevant property details. Receive both video and audio, giving your team a clearer understanding of the situation before arriving on-site, helping technicians prepare and provide faster, more efficient service.

WHAT CUSTOMERS CAN RECORD

- Affected room or area
- Safely visible signs
- Possible access area
- Exterior conditions
- Visible damage
- Sighting from a safe distance

OPTIONAL TREE BOX CATEGORIES

- General pest concerns
- Rodents
- Insects
- Termite concerns
- Commercial pest control

Choose a Plan

Single Box Plan	Tree Box Plan
$29.99 Monthly Recurring	$49.99 Monthly Recurring

Single Box: A simple fit when your company only needs one customer video-message path.

Tree Box: When your company requires multiple greetings for service categories, estimates, emergencies, follow-ups, or general questions.
